

The great success of the first international primary hyperoxaluria (PH) patient meeting at the recent International primary hyperoxaluria workshop in Berlin has convinced, that a follow up meeting is truly necessary and wanted. This next meeting should endorse even more our strong community, but will also provide with the latest information about PH! Therefore:

**Present:**

## **The 2. International Primary Hyperoxaluria Patient Meeting**

When: October 21<sup>st</sup> 2023

Where: Cologne/Bonn – but also virtual

Hot topics:

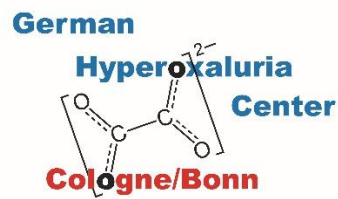

- Patients' stories (PH1, PH2 and PH3) and interactive discussions
- Community built up: get together to know each other better
- What's new in PH 2 and PH 3?
- Follow up of RNAi treatment in PH
- New treatment options on the horizon

Special topic:

Bring questions to be answered by experts!

Send us your questions to [info@p.php-team.net](mailto:info@p.php-team.net) until  
December 31<sup>st</sup> 2022

Collaborations

We hope to see you in 2023! Follow up here, more information in due time so that travel arrangements can be made early!
